

一 我想要的鞋子

wǒ xiǎng fā míng yì shuāng xié zǐ zhǐ yào chuānshàng tā
我想发明一双鞋子。只要穿上它，
jiù néng tiào jìn shū běn hé gù shì zhōng de rén wù yì qǐ xué
就能跳进书本，和故事中的人物一起学习、玩耍。
chuānshàng tā wǒ néng tiào jìn xiǎo rén guó
穿上它，我能跳进《小人国》，
chéng le dà lì shì chuānshàng tā wǒ yòu néng tiào jìn dà rén
成了大力士；穿上它，我又能跳进《大人
guó chéng le xiàng mǎ yǐ yí yàng xiǎo de rén
国》，成了像蚂蚁一样小的人……
wǒ duō xiǎng fā míng zhè yàng de xié zi ā
我多想发明这样的鞋子啊！

The shoes I want

I want to **invent** a pair of **shoes**. As soon as you put them on, you can jump into books and **learn** and **play** with the **characters in the story**.

Putting them on, I can jump into "The land of Little People" and become a **'Hercules' (a person with great strength)**; putting them on, I can jump into "The land of the giants" and become a person as tiny as an ant...

I really want to invent such shoes!

Butterfly is reading a fragrant newspaper

Early in the morning, a flower butterfly rested on a red flower in front of the window.
She stayed for a long time.

Little brother said, "Little Butterfly is reading a fragrant newspaper!"

I asked, "What is it in the newspaper?"

Little brother said, "It must be a very interesting fairy tale."

I asked, "What is the fairy tale about?"

Crescent-shaped Boat

There is a crescent moon in the sky.

A crescent moon in the river.

When the wind blows, the crescent moon in the river is like a little boat, rocking gently on the water, and the stars are like waves.

Little fish, come row, crescent-shaped boat, it's so fun.

Additional note:

The poem is about the reflection of the crescent moon on the river surface. The reflection looks like a crescent-shaped boat floating on the river.
